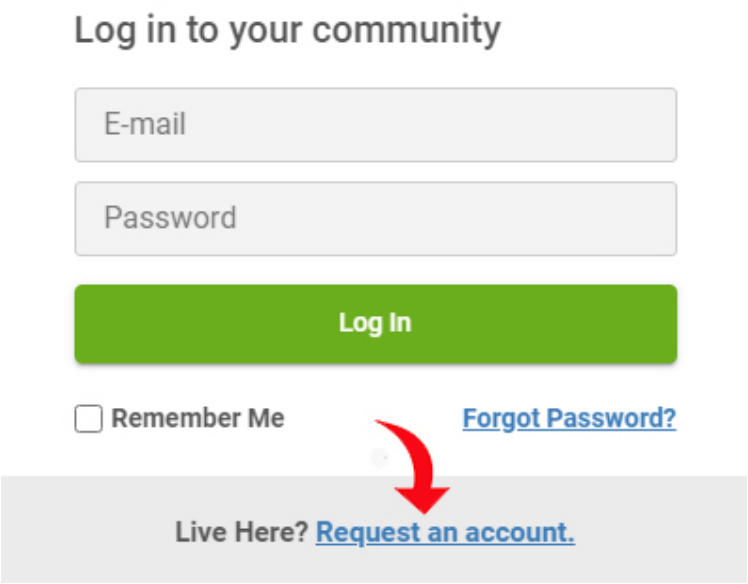
How to Request an Account

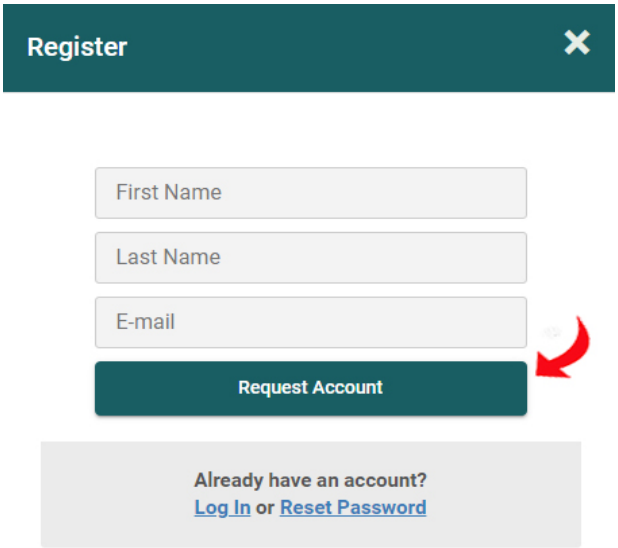
As an owner or resident of the community, you can request an account directly from the community's site.

1.To request a new account, simply navigate your Internet browser to the community's Website (https://plantationplace.org)

2. On the front page, click on the "Request Account" button.



3. To create a new account, please enter your first, last name and your email address (your email address will double as your username). When you are done entering your details, click on "Request Account".



4. On the following screen you will be required to enter a few more details about yourself before your account can be created. The start of the unit number is associated by the building address in this case if you reside in Building 6700 the unit number would start with the number 3, Building 6600 the unit number start with the number 2 and Building 6500 the unit number start with the number 1. Please note that all fields with a red asterisk are mandatory.

- Please enter the Unit number that is to be associated with your name. (The 1st digit is building number folllow by the 3-digit unit number)
- Please enter the correct Registration Type as one the following:
    - Resident Owner
    - NonResident Owner
    - Tenant

- Please enter the effective date on which the account should become effective (ie: a move in date) or if the account is to become effective as soon as possible, enter today's date.
- Please enter a password of your choice on the appropriate field.
- Please enter your phone numbers.
- Please check the captcha.
- When you are done and ready, click "Request Account"
